

The logo for QUICKIE, featuring a stylized orange swoosh above the word "QUICKIE" in white, bold, uppercase letters.

QXi

Innovation, durability, and adjustability
in an ultra-lightweight value package

Live Without Limits

The Quickie QXi is a durable, ultra lightweight folding wheelchair with quick and intuitive adjustments at an outstanding value.

Adjustable Axle

Low Profile, Single Post Armrest

Three-Arm Crossbrace

Quick and Intuitive Adjustments

Most adjustments can be made in less than one minute, using only one tool.

- Center of Gravity
- Seat to Floor Height
- Camber
- Axle Spacing
- Back Height

Simple Option Mix

- Options include the most frequently used armrests, wheels, tires, and seat widths and depths
- New Swing-in/Swing-out Hangers with simple footrest adjustments and intuitive release levers
- Transit option

Durable Frame Design

- Ultra lightweight and durable aluminum frame with a 265 lb. weight capacity
- Three arm cross brace that sits inside frame for a more rigid ride
