Squiggles Stander

The perfect start to standing for
little ones

Supporting Children

A whole new view of the world for little ones

The incredibly versatile and compact 3-in-1 **Squiggles Stander** looks great without compromising on function. From joining in at the whiteboard in school, creating arts and crafts masterpieces, playing catch with siblings or singing in the choir with friends, **Squiggles Stander** gives children the support and independence they need to be able to join in, have fun and take in a whole new view of the world.

MINIMALIST, CHILD-FOCUSED DESIGN WHICH BLENDS INTO DIFFERENT ENVIRONMENTS

- Fun, bright pads mean **Squiggles 3-in-1 Stander** fits effortlessly into nursery and school settings. The age-appropriate design is popular with both kids and their families, helping encourage home therapy.
- Being low to the ground, **Squiggles** makes socializing and interacting with others at eye level easier. **Squiggles** helps children engage with their world from a different perspective and enjoy new experiences.

“ We can do lots of different activities in it. It gives the freedom to explore and learn ”

PRACTICAL AND EASY TO USE FOR PARENTS

- Lightweight and easy to adjust
- Easily disassembled for storage and transportation

ADJUSTABILITY TO PROVIDE A PERSONALIZED FIT

- Individually adjustable chest and pelvic supports are cushioned for comfort and adjust easily in height, width and angle to suit individual needs, ensuring a comfortable and secure position. The ergonomic shape of the chest pad also maximizes shoulder and upper limb function.
- Footplates are angle and depth adjustable to accommodate rotation at the hip or ankle and asymmetrically tight hamstrings. Plantar flex the footplate to accommodate tight gastrocnemius. Leg length discrepancy can also be accommodated.
